Dear All,

I have the pleasure to inform you that the I HAVE RIGHTS project (Erasmus+ KA2 Project Number 2016-1-FRA01-KA201-024133) is coming to its end with the publication *Global Citizenship Education, Multiculturalism and Social Inclusion in Europe*, edited by Alessandra Viviani.

I'm sure you remember Alessandra's presentation of I HAVE RIGHTS during our kick off meeting back in October 2017 here in Siena. In that occasion Alessandra showed you the results of the field research on the awareness of multiculturalism in European schools (with special concern to Belgium, France, Greece, Lithuania, Portugal and Italy, the six partner countries in the project) and the guidelines for teachers in a multicultural school environment.

Now *Global Citizenship Education, Multiculturalism and Social Inclusion in Europe* (pp. 496, Simoes and Linhares, Coimbra, PT, ISBN 978-989-20-85-70-8) presents the overall results of I HAVE RIGHTS with contributions by academics and teachers who took part in the project (see the Index in attachment)

*Global Citizenship Education, Multiculturalism and Social Inclusion in Europe* will be available at the end of August.

If you are interested in receiving a copy of the book please contact us or you can download the .pdf from the project web site (<https://ihaverights.pixel-online.org/index.php>) where you can find all the material produced in I HAVE RIGHTS

Thank you for your attention!
